

Dairy Coverage

TAGA has the markets you need with coverage options and extensions that are designed to address the specific needs of dairy operations.

We have a specialized pricing program in addition to IRPM credits:

- * Dairy Endorsement - Coverage Enhancement
- * Extra expense - \$10,000 limit
- * Hay stack limit \$100,000/50 ft clear space, stack limit may be increased
- * Transport vehicle - limit \$25,000/\$1,000 deductible
- * Animal collision - Optional Endorsement, for additional charge
- * Milk Contamination and leakage - Optional Endorsement, for additional charge
- * Refrigerated farm personal property - Optional Endorsement, for additional charge
- * Livestock can be covered on either a blanket or scheduled basis, up to \$2,000 per head. Livestock is covered for "Broad" causes of loss. No coverage is provided for disease or death from natural causes.
